Clearing After the Full Moon

I Command, Now

I gather up,

All of the Solar, The Lunar, The Earth,

Energies and Frequencies,

That impacted me,

Before, During, And after,

This latest Full Moon,

All of these energies and frequencies,

Are disconnected from myself, my bodies, my energies,

my frequencies,

From my DNA, modulating frequencies,

From all of my, Galactic, Dimensional, Cosmic, Universal,

bodies, energies, frequencies,

From everything I am,

All of these energies and frequencies,

Are now, reconnected with, And reintegrated back into,

The Light
